Sometimes I smoke a lot.  
Sometimes I don't.  
It depends on my mood.

If I'm depressed  
I do smoke a lot.

If I'm alright  
I don't smoke so much.

Sometimes I smoke  
in the morning,  
another time  
I smoke with tea.

I think it's bad  
but when I started smoking  
I thought it looked good.  
I was fifteen  
when I started.

Maybe if I could sit down  
and read a whole book  
I would give up.

It would give me  
something to do.
